

**Revolution Me Films  
COVID-19 SAFETY PLAN**

**Director Charulata L. Dyal**

RMML is following and adjusting to all safety protocols as they become available through the CDC and is complying with the Garden School Covid-19 Safety Plan.

- A negative PCR test, taken within 72 hours of a camper's first day, or proof of Covid – 19 vaccination must be shown.
- Daily screening and temperature checks are required of all campers/staff/visitors entering the building using the Covid Quick Screen App. Students may not enter campus without a green check mark indicating they have passed the daily health screener.
- The Garden School Campus is closed to outside visitors except by appointment. Please call ahead in the event that you must come to campus for any unplanned and unavoidable reason.
- Students taking the Revolution Me Media Lab Monday photography course will only be allowed access onto the campus for the times and days listed.
- Hand-washing will continue to be imbedded in the daily schedule and the program will continue to provide hand sanitizer both indoors and out.
- If you are ill, please stay home and contact your teacher for any missed materials and assignments.
- Students must be free of any Covid-19 symptom for at least 72 hours without the use of fever reducing medication before returning to the program.
- In the event of illness at home, families are expected to notify the instructor immediately of Symptoms.

In most cases, an ill camper will be required to submit a negative Covid-19 PCR test within 48 hours.

- Should a positive case be reported, any student or staff who has met the criteria for close contact will quarantine as per NYS regulations and return to camp after their mandatory quarantine period has ended as long as they are symptom free.
- In the event of a positive test case at camp, camp families in attendance will be promptly notified, close contacts will be promptly notified, and the local health department will be notified. Garden will comply with all protocols and policies as required.
